A Year of Leadership, Partnership, Advocacy, and Service

FOUNDATION EDITION

A MESSAGE FROM THE

CHIEF FINANCIAL OFFICER

Dear NVALAS Community,

It is my privilege to present the 2025–2026 NVALAS Annual Impact Report – Financial Stewardship Edition.

This publication represents more than a summary of our finances. It reflects the collective work of educators, leaders, partners, sponsors, and volunteers who continue to strengthen educational opportunities throughout Nevada.

As Chief Financial Officer, I believe financial stewardship is built on transparency, accountability, and thoughtful planning. Throughout Fiscal Year 2025–2026, NVALAS remained committed to responsible financial management through monthly reconciliations, regular Executive Board reporting, and careful oversight of organizational resources. Every financial decision was made with our mission at the forefront—supporting leadership development, professional learning, advocacy, and service to Nevada's educational communities.

This report highlights not only how resources were managed, but also the impact those resources helped make possible. From leadership development and statewide partnerships to legislative engagement and professional learning, every accomplishment represents the dedication of individuals working together to advance educational excellence.

I extend my sincere appreciation to our Executive Board, members, partners, sponsors, and volunteers for their trust and commitment. Together, we continue to build an organization grounded in integrity, collaboration, and service.

Thank you for being part of the NVALAS journey.

With gratitude,

Elena Fabunan
